FOOD STORAGE REQUIRED

Visitors in developed sites must store food, garbage and other odorous items that may attract bears in a bear-resistant container, inside their vehicle, or in an enclosed hard-body trailer. All food leftovers and trash must be properly disposed of in a bear-resistant trash receptacle or other container where provided by the Forest Service.

Put trash in a bear-resistant trash can or other receptacle provided by the Forest Service.

Store food and trash in a closed motor vehicle with a solid top or a closed hard-body trailer.

Store food, trash and other bear attractants in a bear-resistant container.

You are responsible for your own safety. All outdoor activities have inherent risks and you may encounter a variety of unexpected and/or dangerous conditions. It is your responsibility to be informed and take precautions. Learn more at www.fs.usda.gov/r8.
